

Sponsorship Pledge Form

We invite you to partner with us in 2018 to support **Wind & Wildlife: Together**, a campaign celebrating AWWI's 10th Anniversary and supporting outreach and engagement to expand our audience, drive national research priorities, and report on new strategies and solutions. Support for the campaign supports AWWI's programs and enables the outreach and implementation of wind-wildlife solutions.

This year also brings the 12th National Wind Coordinating Collaborative (NWCC) **Wind Wildlife Research Meeting (WWRM)**, presented by AWWI. This meeting is a pivotal, biennial event for generating and sharing science and solutions for wind energy and wildlife. [Click here](#) to review the full sponsorship brochure.
